BC FERRIES ADJUSTS PARKING FEES AT LANGDALE TERMINAL

VICTORIA – To encourage turnover of limited parking spots at Langdale terminal, BC Ferries announced today that parking fees and time allocations will be adjusted as of February 8, 2018. This will improve parking access and help connect customers to the places they need to go.

Over the past 12 to 18 months, customers have found that it is becoming more common to find the lot full or near full when they need to park. With no room to noticeably increase the number of parking spots, BC Ferries hopes that changing the parking fees will encourage a higher rate of turnover for parking space usage, thus leading to more availability.

This is the first rate increase in more than 15 years, and the following table outlines the current and future parking rates.

Time	Current Rate	Effective Feb 8, 2018
16 hours	\$2.25	\$3
1 day	\$4.50	\$6
2 days	\$9	\$12
3 days	\$13.50	\$18
4 days	\$18	\$24
5 days	\$22.50	\$30
Monthly	\$64	\$75

Customers can purchase parking for any period up to five days from onsite machines using Visa and MasterCard, while monthly parkers should visit the Langdale administration office for payment. For more information on the upcoming changes, visit bcferries.com.
