BC FERRIES REMINDS CUSTOMERS OF SMOKE-FREE ENVIRONMENT

VICTORIA – BC Ferries is reminding customers that all BC Ferries vessels and terminals are smoke-free environments.

In January, BC Ferries introduced a smoke-free environment to support the health and wellness of its customers and employees. The policy applies to the smoking of tobacco, cannabis and any other substance, including the use of e-cigarettes. All vessels and terminal properties are smoke and vape-free environments, including the interior of all vehicles on BC Ferries property.

BC Ferries received many requests from customers to offer a smoke-free environment and the company is pleased to accommodate the wishes of many travellers.

For more information on BC Ferries smoke-free environment, visit bcferries.com.
